

# Certificate IV in Community Services

Your path to a rewarding and worthwhile career in community services.

## Overview

**Do you have great people skills? This qualification reflects the role of community service workers who design and deliver person-centred services to individuals and/or groups.**

Workers may provide support, advocacy or interventions to individual clients, groups or communities across a range of services.

Key issues common to all areas of community work such as, mental health, family and domestic violence and working with diversity are covered.

The electives chosen for this training program reflect the skills and knowledge required by workers to provide effective frontline responses.

This course is delivered via a combination of online and face to face workshops, with study support available in **Adelaide, Berri, and Port Augusta.**
